

August means nominations are now open for the 2020-2021 Board of Directors. We need three people on the board, according to our bylaws, and we have a vacancy. So, we need at least one more person to step up and volunteer in order to continue. With the current shelter-in-place orders, now is the time to be creative in what we can offer our community online and to lay the groundwork for what we want to be as an organization once we are able to meet in person again. The organization is cash neutral and we have some funds in reserve so we want to focus on bringing value to our community and amplifying suppressed voices. That said, if we cannot find at least one more person to join the board, the organization's future is in serious jeopardy. If you can help, please contact us at election@smodysey.com.

We have three events planned for August. Check Fetlife, Eroby, or our Facebook page for the Zoom links for each event.
